Adolescent and Young Adults Addictions Program- This position works with adolescents and young adults who need outpatient substance abuse treatment. Staff will have the opportunity to be part of a federal grant to provide evidence based services using the ACRA model- this is a unique opportunity to become trained and supervised in evidence based treatment and to contribute to the knowledge base of delivering evidence based services to adolescents/young adults in Maryland. This is a chance to be part of a team that will include professional staff as well as a peer recovery specialist. Services likely to be delivered combination of office based, and school based settings. Strong clinical skills and experience with adolescents is needed. Computer skills required. Health occupations license (social work or counseling) or Certification by Maryland Board of Professional Counselors in addictions is required. Minimum of a bachelor's degree is required, Master's preferred. Will consider recent Master's level's graduates who have trainee status from Maryland Board Of Professional Counselors and will consider new graduates (must have licensure or certification) with relevant internships to the qualifications. We are a mission driven, non-profit organization and are looking for staff driven to provide services of the highest quality to adolescents and young adults who are struggling with addiction. We are a community based organization that has been operating for over 40 years. Supervision for LGSW and LGPC is available. Free parking, available at office location. Position will include some evening and weekend hours, Submit cover letter and resume to pstabile@harbelprc.com that specifies interest in fulltime adolescent/young adult position.

Saturday Intake Counselor- Part time position available on Saturdays in outpatient substance abuse treatment program. Screen and assess clients as part of an intake process for an outpatient substance abuse treatment program. Knowledge of Domestic Violence intervention also helpful as many of our intakes includes persons being referred because of criminal justice involvement resulting from domestic violence offenses. Hours for position are approximately 9:30 to 3. Prefer Master's level licensed clinician (LCPC or LCSW-C), but will consider certification in addictions (trainee or above) with Maryland Board of Professional Counselors , licensed approved supervisor credential is also preferred. Please send cover letter with resume to pstabile@harbelprc.com and specify that interest is in part time Saturday position.

Addiction Counselor Position (part time- evening)- Experienced clinician needed for concurrent treatment of substance abusers. Program is also an abuser intervention program that treats substance abuse- all clients have a substance abuse diagnosis in addition to domestic violence . Strong clinical skills and experience with groups is needed. Experience with Domestic Violence Abuser Intervention Programs is an asset. Computer skills required. Hours include two evenings until 9. Minimum of a bachelor's degree is required, Master's preferred. Certification by Maryland Board of Professional Counselors in addictions or health care occupations licenses (counseling or social work) preferred but may consider persons with trainee status and relevant experience. We are a mission driven, non-profit organization and are looking for staff driven to provide services of the highest quality to people who are struggling with addiction. Strong clinical team, supervision for LGSW and LGPC and for addictions counselor certification is available, benefits and free parking. Submit cover letter that specifies interest in fulltime adult position (list hours you are available) and submit resume by email to pstabile@harbelprc.com
