

**Maryland RecoveryNet Service Rate
Table
NEW October 1, 2014**

<u>Housing Assistance</u>			
These services are available for patients who are recommended by their clinician to enter a recovery supported environment. All clients accessing these services must be approved by the Regional Area Coordinator prior to approval. The Care Coordinator will need to complete the Housing Assessment Form with input from the referring clinician.			
Service Description	Unit of Service	Payment Rate	Required Qualifications
Recovery/Supportive Housing: Sober living facility that assists individuals who have supportive housing needs but do not require the higher intensity of a halfway house setting. Individuals may be early in recovery, transitioning from homelessness or have other living arrangements that do not offer safe and recovery-oriented environments.	Max Days=30	Daily rate = \$22.00	Meets MSARR (MD State Association of Recovery Residences) housing standards
Halfway House (Clinical): Clinically managed, low-intensity, structured residential care with at least 5 hours a week of on-site treatment that is delivered by a certified or licensed counselor/therapist. Housing is for individuals with substance use/co-occurring disorders who are assessed as needing clinical support and life-skills training for independent living. Individuals must meet ASAM criteria for admission.	Max days = 30	Daily rate = \$50.00	Current DHMH Certificate or letter of good standing

<u>Employment Services</u>			
These services involve professional assistance in the areas listed below.			
Technical training or Certificate programs (Must have letter of admission and invoice on program letterhead). Must be an approved service provider. Providers will be notified when this service is available	TBD Max=\$2,500	TBD	Certification as a career development facilitator by a recognized national certifying body OR uses BHA-approved workforce development curriculum

<u>Peer Recovery Support Specialist Services</u>			
These services involve the development of a supportive peer relationship with the service recipient that will aid in the acquisition and or enhancement of recovery self-management skills. Peer activities are aligned with four domains: Advocacy, Recovery & Wellness, Mentoring & Education, and Ethical Responsibility. The Care Coordinator will need to complete the Peer Support Service Request form, and obtain the approval of the Regional Area Coordinator prior to service start date.			

<p>Peer Support Intake Interview: Face-to-face interview with service recipient conducted to identify client service needs and to orient them to Peer Support services. This reimbursement rate includes:</p> <ol style="list-style-type: none"> 1) Travel time to and from the service site/location 2) Completion of the Needs Assessment 3) Identification of strengths and recovery capital 4) Review recovery plan 5) Establish peer support contact schedule 	<p>Unit = 1 interview Max Units = 1</p>	<p>Unit rate = \$75.00</p>	<p>Copy of professional licensure</p>

Care Coordination Services

Care Coordination is an activity that assists clients in gaining access to necessary care and medical, behavioral, social and other services appropriate to their needs. The functions of case management include recovery assessment, care planning, referral/linkage, and monitoring/follow-up.

<p>RSAM Intake Interview: Face-to-face interview with client conducted in approved setting (Tx facility, CC Agency office, Community-based service provider setting) RSAM participation and care coordination. This reimbursement rate includes:</p> <ol style="list-style-type: none"> 1) Travel time if applicable 2) Completion of: <ol style="list-style-type: none"> a) Participant application for Maryland RecoveryNet services b) GPRA Assessment c) Collection of collateral contacts d) Verification of client understanding and agreement to complete GPRA Follow-up and discharge 3) Establish care coordination contact schedule 4) All documentation and authorization for services <p>This can only be billed for RSAM funding recipients.</p>	<p>Unit = 1 interview Max Units = 1</p>	<p>Unit rate = \$100.00</p>
<p>Care Coordination Check-ins: Ongoing face-to-face or telephone meetings with RSAM client, conducted bi-weekly to update the clients recovery support plan and coordinate/support client access to, participation in, and continuation in RSAM covered services. This can only be billed for RSAM funding recipients.</p>	<p>Unit = 1 visit Max Units = 24</p>	<p>Unit rate = \$12</p>
<p>Transportation: Monthly/Reduced Fare passes for clients to get to and from recovery support services. It also may be used to purchase specialized transportation including mobility vouchers. May also be used for cab services under certain conditions; must be approved by the Regional Area Coordinator.</p>	<p>Rate Individualized by provider</p>	<p>Unit rate = N/A</p>
<p>Vital Documents: Critical documents for clients (and children if recipient is receiving Women/Men with Children services; should be billed under GAP support) such as birth certificates, photo ID's, and driver's licenses. This reimbursement rate includes any costs associated with the purchase of such materials and the processing of paperwork to order them. It also includes care coordinator time for document acquisition (cannot charge a unit rate with this).</p>	<p>Unit = 2 documents Max Units = 2</p>	<p>Unit rate = \$50.00</p>

Follow-up GPRA and the MD RecoveryNet Client satisfaction survey. Completion of the survey is required and is included in the follow-up GPRA payment bundle.	Max Units = 1	Unit rate = \$125
GPRA Gift Card: Reimbursement for a \$15 gift card that is available to all clients who successfully complete the follow-up GPRA (in-person) within the window. Cards cannot be sent in the mail, and the client must sign a receipt for the gift card in order for billing to occur.	Unit = 1 card Max Units = 1	Unit rate = \$15
Authorization Monitoring: To keep case from closing. One per month only	Unit = 1 interview Max Units = 9	Unit rate = \$5
Gap Services – Transitional Services: These services are specific to clients transitioning out of residential treatment or those moving into housing. These funds are to be used for basic transitional needs such as food and toiletries.	Unit = \$1 Max Units = 50	Unit rate = \$2
Gap Services – Clothing: Funds to help purchase clothing as clients leave residential treatment, seasonal changes, weight gains/losses, employment changes, uniforms, etc.	Unit = \$1 Max Units = 50	Unit rate = \$2
Gap Services – Support Services: To be used specifically for support services that are <i>not covered by any other program</i> . This can include books if the MD RecoveryNet participant is returning to school (available to client only), tools if they are returning to work, licensure, penalties/fines, etc., . Also may be used for vital documents for children of clients receiving RSAM funding AND who are receiving targeted services for Women/Men with children. When making requests for gap services under this item, please make sure you are very specific about the dollar amount and how this service supports your client’s recovery.	Unit = \$1 Max Units = 150	Unit rate = \$2
