

Calvert County Health Department Behavioral Health has openings for a licensed clinician to provide behavioral health services with a primary location at the Calvert County Detention Center. Some clinic work may be required. Applicants must have a Master's Degree and current Maryland license (e.g., LCPC, LCADC, LCSW-C, LGADC, LGPC, Trainee, etc.). This is a contract position without benefits. Experience working with substance use disorders or co-occurring disorders highly recommended, working in jail-based services also recommended. Position requires excellent organizational skills and the ability to work independently. Pay based on credentials and experience.

Job Type: Contract

Required experience:

- Professional counseling (as licensed therapist): 1 year

Required education:

- Master's

Please send resume to Doris McDonald, email: doris.mcdonald@maryland.gov, or fax: [410-535-2220](tel:410-535-2220).
