

Only apply if you are a Psychiatrist or Psychiatric Nurse Practitioner Licensed in Maryland.

Port Recovery Mental Health is seeking a Psychiatrist or Psychiatric Nurse Practitioner provider for comprehensive psychiatric treatment at our facility. We have LabCorp lab onsite to make med management more efficacious. **You must have an active DEA number and an active Maryland CDS number.** Having a **current MD Medicaid provider number is preferred, but we can assist with Medicaid credentialing.** In addition to serving clients from the community, the provider will also treat patients within our 90-bed residential housing facility. Compensation is based on collections. We are a busy psychiatry practice conveniently located in Northeast Baltimore City and serve the Medicare/ Medicaid population as well as some commercial plans. If you are a Psychiatrist or Psych NP **with prescription writing credentials**, please forward your CV to pprsshelly@gmail.com
