

Title: Peer Recovery Specialist

Description: If you are ready for a satisfying and rewarding career, join our national team of professionals at MedMark Services, Inc. We are one of the nation's leading addiction treatment services and our growth and expansion has produced a need for additional staff.

Daybreak Location:

- Will follow best practices to provide behavioral health services that foster supportive peer relationships with and among the persons enrolled in behavioral health services and other related programs.
- The PRS by definition is a person in recovery who will utilize her/his personal recovery experience to instill a sense of hope and optimism for persons in recovery.
- The PRS will demonstrate a personal belief in recovery and a sincere interest in the welfare of persons in recovery.
- The PRS will demonstrate the ability to engage and serve the consumers enrolled, contribute to the overall success of the consumer's recovery process and carry out duties with flexibility and an individual focus.
- The PRS will promote and contribute to the development of a culture of recovery and empowerment within and outside of the treatment center and will uphold the integrity of program goals.
- The PRS will complete detailed and accurate encounter notes and other reports to document program measures including but not limited to Monthly Programmatic Report to BHS Baltimore.
- The PRS will conduct peer support groups to assist persons enrolled in behavioral health services to realize their personal goals in treatment, employment, education and all other life changing opportunities.
- The PRS will report directly to the Peer Care Coordinator or designate on all matters pertinent to the successful obtainment of program goals and standards.

- Engage appropriately with patients enrolled to support them in identifying strengths, existing supports, and community resources, with the ability to develop and maintain effective and ethical therapeutic relationships with individuals and groups.
- Assist in the development of a culture of recovery and peer support by engaging in and supporting peer relationships, with the ability to work with a culturally diverse population.

Category: Administrative

- Requirements:**
1. Have a High School Diploma or GED.
 2. Knowledge of support systems and community resources available to patients and their significant others, with the ability assist patients in the development and implementation of an individualized and integrated Recovery Support plan.
