Rally for Recovery

Carroll Creek Urban Park

September 15, 2012

12:00 pm -5:00 pm

Come join the Frederick County Health Department along with other community organizations, businesses, family members, and friends at Carroll Creek Urban Park (across from the C. Burr Artz Library) for National Recovery Month. This rally is to let the public know that recovery from alcohol and drug abuse is working for thousands of individuals, right here in our region. Festivities will include a proclamation by our public officials, testimonies from individuals in recovery, informational tables, children's activities, music, and more.

For more information, call 301-600-3289 or visit the Health Department's website at www.frederickcountymd.gov/healthdept
