

Clinical Manager

Timonium/Awakenings
2 West Aylesbury Road
Timonium, MD 21093

Glass Health Programs is seeking experienced substance abuse counselor supervisors to supervise the Counselors and Counselor Interns who provide treatment and casework services to patients in compliance with all applicable laws and regulations and with Glass Health Program's policies and procedures. Ensure timely documentation of patient services based on plan of care. Identify other physical, psychological, social and spiritual needs for assigned patients.

Glass Health Programs are a part of MedMark Services, Inc. and offers competitive salaries and professional, rewarding work environment.

At MedMark, we understand that addiction impacts not only the health and happiness of those facing addictions, but also the entire network of concerned friends, family members and loved ones. This is why we offer individual, group and family counseling that addresses the physical, mental and emotional needs of our patients.

MedMark Services, Inc. is committed to Equal Employment Opportunity (EEO) and to compliance with all Federal, State and local laws that prohibit employment discrimination on the basis of race, color, age, natural origin, ethnicity, religion, gender, pregnancy, marital status, sexual orientation, citizenship, genetic disposition, disability or veteran's status or any other classification protected by State/Federal laws.

Benefits:

- Competitive salary
- Comprehensive benefits package, including medical, dental, vision and 401(K)
- Generous paid time off
- Excellent growth and development opportunities
- Satisfying and rewarding work
