

**Summary of Modifications to SMART in Version 11.4.0 (April 2010 Release)**  
**Release Date May 21, 2010**

This table summarizes the major changes for users in SMART Version 11.4.0.

**Modules change or are added in the new version to provide greater functionality to the user, as summarized below.**

<b>Module Affected</b>	<b>Description</b>
<b>Adolescent Drug Abuse Diagnosis (ADAD)</b>	SMART is upgraded to enable users to consent to share the ADAD as a separate item when consenting to share information.
<b>South Oaks Gambling Screen (SOG)</b>	SMART has a new instrument which assists in screening for gambling disorders. Users may issue a consent to share this instrument.
<b>Report Ticket</b>	A preliminary report ticket system is included in this version. However, users are encouraged to wait to use this system until instructed to do so.

**Other modifications fix items in previous releases, as summarized below.**

<b>Module Affected</b>	<b>Description</b>
<b>Treatment Plan</b>	The Goal Status now appears on the Treatment Plan/Goal Screen, and on the treatment plan report.
<b>Consent and referral</b>	This version no longer allows the user to create a referral using an unsigned consent. If a consent is not signed, no referrals can be made from it.
