

## MISSION

The Department of Health and Mental Hygiene's Office of Behavioral Health will develop an integrated process for planning, policy, and services to ensure a coordinated quality system of care is available to individuals with behavioral health conditions. The Behavioral Health Administration will, through publicly-funded services and supports, **promote recovery, resiliency, health, and wellness** for individuals who have emotional, substance use, addictive and/or psychiatric disorders.

## THE VISION

The Vision of our behavioral health system of care is drawn from fundamental core commitments: Coordinated, quality systems of care that is supportive of individual rights and preferences.

- Availability of a full range of services
- Seamless linkages to services for the consumer delivered through a system of integrated care
- Recognition that co-occurring conditions are common
- **Focus on treatment, behavioral health, support, recovery, and resilience**
- **Services developed in collaboration with stakeholders** in an environment that is culturally sensitive
- Improved health, wellness, and quality of life for consumers across the life span
