

CMHS Grant: Older Adults Targeted Capacity Expansion (TCE) Grant Program

Request for Applications (RFA) No. SM-08-008
Posting on Grants.gov: January 16, 2008
Receipt Date: March 28, 2008
Announcement Type: Initial

The Substance Abuse and Mental Health Services Administration (SAMHSA), Center for Mental Health Services (CMHS) is accepting applications for fiscal year (FY) 2008 for Older Adults Targeted Capacity Expansion (TCE) grants.

The purpose of the Older Adults TCE Grant Program is to help communities provide direct services and build the necessary infrastructure to support expanded services for meeting the diverse mental health needs of older adults. The target population of older adults, for the purpose of this program, is defined as persons 60 years and older who are at risk for or are experiencing mental health problems.
