CMS Requirements for Institutional Claims UB-92 and UB-04

5/23/07

1/1/08

5/23/08

All NPI requirements in effect, but CMS will not take enforcement action against covered plans with contingency plans, until 5/23/08.

Any 837I and UB04 claims without NPI in billing provider field will be rejected.

CMS lifts contingency plan. Only an NPI will be accepted.
